Private Pay Services

We know that some of our clients can pay our quality home care assistance right on their pockets. With this, it means that our clients is directly responsible for the payment without the aid of insurance companies and others. Since our clients are part of the private pay program, they are able to avail of our specialized services immediately and without the hassle.

They can bypass a lengthy line and long list of clients that are paying other than the private pay program. With this in mind, we want to know all of our clients that there are no discrimination involved on who gets the best services and when.

Adult Day Support

We want you to know that you can still be part of your immediate community; you have still the capacity to be involve in community developments and activities. With our passionate team, you are sure to be back on your feet and share your social skills with your neighbors and friends.

Our adult day support services provide assistance on:

- ✓ Daily living
- ✓ Socialization
- ✓ Leisure
- ✓ Recreation
- ✓ Volunteering
- ✓ Pre-vocational skills when in the community
- ✓ Working with staff to reinforce individual strengths in the community or at the center
- ✓ Personal care needs

Respite Care

Our respite care team is composed of responsible and client-centered professionals. We work as a team to bring to our clients the well-deserved home health care assistance. You are safe with our professional care givers.

our respite care services include but are not limited to:

- ✓ Assisting the family members to enable a person with developmental disabilities to stay at home
- ✓ Providing appropriate care and supervision to protect that person's safety in the absence of a family member(s)
- ✓ Relieving family members from the constantly demanding responsibility of providing care
- ✓ Attending to basic self-help needs and other activities that would ordinarily be performed by the family member.

DME

We want you to know that we are doing everything we can so that you can have a fast and positive recovery. We believe that aside from the professional care givers that are on your side during your recovery, it can also be a great advantage when you have the latest and durables medical equipments at times when you need it.

Our DME's (durable medical equipments) are all state-of-the-art and are all in good condition. We see to it that our medical equipments are the one's available in the market and are on demand. From our network of reliable manufacturers, you can be sure of their quality and durability.

Our Services

We know that every individual has specific needs that should be addressed accordingly. For years, we have administered our brand of care to lots of different individuals from the different communities of Virginia.

Personal Care

Our personal care services are based on the individual needs of our clients. After a thorough evaluation from our efficient personal care team, only then we know how to provide you with the right level of home care assistance.

Our specialized personal care services include:

- ✓ Provide Companionship
- ✓ Assist with personal care needs, including bathing, dressing and grooming
